PROFESSIONAL SUMMARY

Detail-oriented and compliance-focused Quality Assurance Officer with 2+ years of hands-on experience in Oral Solid Dosage (tablet) manufacturing at Elysium Pharmaceuticals Ltd., Vadodara, working within cGMP, GDP and Schedule M frameworks. Skilled in SOP authoring, deviation management, CAPA, BMR/BPR review, change control, in-process quality checks (IPQA) and OOS/OOT investigation support across a structured QMS. Experienced in internal audits, documentation control and data integrity (ALCOA+), with proven audit readiness for CDSCO and WHO-GMP inspections. A meticulous team player committed to product quality, patient safety and regulatory compliance. Seeking QA Officer / QA Executive / IPQA / Documentation Officer roles across Gujarat - available to join immediately.

CORE COMPETENCIES

• cGMP / GDP / GLP & Schedule M Compliance • SOP Writing & Periodic Review • Batch Record Review (BMR / BPR) • Deviation Management & CAPA • Change Control Management • OOS / OOT Investigation Support • In-Process Quality Assurance (IPQA) • Internal Audit & Self-Inspection • QMS & Documentation Control • Data Integrity (ALCOA+) & 21 CFR Part 11 • APQR & Stability Documentation • CDSCO / WHO-GMP Audit Readiness • ICH Guidelines (Q8 / Q9 / Q10) • Vendor Qualification Support

PROFESSIONAL EXPERIENCE

Quality Assurance Officer / IPQA Officer

Mar 2024 – Mar 2026 (2 Years)

Elysium Pharmaceuticals Ltd., Dabhasa, Vadodara, Gujarat • Department: Quality Assurance

- Authored, reviewed and revised Standard Operating Procedures (SOPs) and managed periodic review schedules to maintain cGMP, GDP and Schedule M compliance across Oral Solid Dosage operations.
- Reviewed, verified and approved Batch Manufacturing Records (BMR) and Batch Packaging Records (BPR), including reconciliation, issuance logs and yield calculations, resolving discrepancies prior to batch release.
- Performed line clearance and in-process quality checks (IPQA) during granulation, compression, coating and packing - weight variation, hardness, friability, thickness and disintegration time as per BMR specifications.
- Identified, documented and investigated deviations using structured root-cause analysis (5-Why, Fishbone); implemented CAPA and tracked corrective / preventive actions to timely closure.
- Initiated, evaluated and closed Change Control records with cross-functional teams, performing impact assessment and post-change effectiveness verification for equipment, process and documentation changes.
- Supported OOS (Out of Specification) and OOT investigations in coordination with Quality Control per ICH Q10 and 21 CFR Part 211 guidance, contributing to batch review and release decisions.
- Conducted internal GMP audits and self-inspections across production, warehouse, HVAC/AHU and utility areas; documented observations and tracked corrective-action closure.
- Maintained document control, Good Documentation Practices (GDP) and data integrity (ALCOA+); compiled Annual Product Quality Review (APQR) inputs and supported the stability program through scheduled data review.
- Prepared documentation packages and provided audit readiness support for CDSCO and WHO-GMP inspections, including master files, validation summaries and change histories.
- Coordinated and delivered periodic GMP / GDP training for production staff and maintained up-to-date training records for compliance.

EDUCATION

Diploma in Biotechnology

2021 – 2025 CGPA: 6.7 / 10

Parul Institute of Technology & Engineering, Vadodara - Gujarat Technological University (GTU)

- Honours: Dean's List for Academic Excellence (2024–25); Best Research Project Award (Bioethanol Production); Top 10 ranking in Molecular Biology coursework.
- Key Subjects: Molecular Biology, Biochemistry, Microbiology, Bioprocess Technology, Immunology, Fermentation Technology.

INTERNSHIP EXPERIENCE

Bioinformatics Intern – Biotechnika (Remote)

2024 • 3 Months

- Built Python / Biopython pipelines for genomic data analysis; analysed 500+ DNA / protein sequences via BLAST and ClustalW.
- Reduced manual curation time by 40% through pipeline automation.

- Executed PCR, gel electrophoresis and microbial culture workflows; processed 80+ samples/week with 95% accuracy.
- Authored 3 SOPs under GLP protocols; improved laboratory efficiency by 20%.

■ KEY RESEARCH PROJECTS

- **Bioethanol Production from Agricultural Waste (2024):** Optimised SSF process with *S. cerevisiae* using RSM/DOE; achieved 15% yield improvement validated via HPLC and ANOVA ($p < 0.05$). Best Research Project Award.
- **Comparative Genomic Analysis of AMR Genes (2024):** Analysed 120 bacterial genomes (NCBI GenBank) with an automated Python/Biopython BLAST pipeline; discovered 8 novel resistance gene variants from 500+ sequences.
- **Protein Structure Prediction & Molecular Docking (2023):** Modelled 5 therapeutic proteins (SWISS-MODEL) and docked 50 ligands (AutoDock Vina); identified 3 lead compounds (binding affinity -8.0 kcal/mol or lower).
- **Microbial Quality Assessment of Dairy Products (2023):** Tested 40 dairy samples per ISO 4833 with 100% detection accuracy for *E. coli* and *Salmonella*.

■ TECHNICAL SKILLS

QA / Regulatory: GMP, cGMP, GDP, GLP, SOP Writing, CAPA, Deviation Management, BMR/BPR Review, Change Control, OOS Investigation, QMS, Internal Audit, Vendor Qualification, ICH Guidelines, WHO-GMP, CDSCO, 21 CFR Part 11, APQR, Stability Studies, Documentation Control, Data Integrity (ALCOA+)

Laboratory: HPLC, PCR (RT-PCR, qPCR), UV-Vis Spectrophotometry, Gel Electrophoresis, Microbial & Cell Culture, DNA/RNA Extraction, Microbial Limit Test, Sterility Testing, Media Preparation, Autoclave, Laminar Air Flow, Microscopy

Bioinformatics: Python (Biopython, Pandas, NumPy), R (Bioconductor), BLAST, ClustalW, NCBI, GenBank, UniProt, AutoDock Vina, SWISS-MODEL, PyMOL

Software & Data: MS Office (Advanced), TrackWise (basic), SAP (basic), SPSS, MATLAB, DOE/RSM, ANOVA, Git/GitHub

■ CERTIFICATIONS

- Bioinformatics Specialization – Coursera / UC San Diego (2024)
- Python for Genomic Data Science – Coursera / Johns Hopkins (2024)
- Industrial Biotechnology & GMP Fundamentals – NPTEL / IIT Madras (2023)
- Molecular Biology Techniques – Udemy (2023)
- Advanced Techniques in Biotechnology – Parul University (2025)
- Web Designing – ITI Vadodara (2021) • Digital Marketing – Google Digital Garage

■ KEY ACHIEVEMENTS

- Best Research Project Award (Bioethanol Production) – Parul Institute, 2024.
- Dean's List for Academic Excellence, 2024–25.
- Top 10 ranking in Molecular Biology coursework.
- Authored 3 GLP SOPs adopted during laboratory internship; improved lab efficiency by 20%.
- 40% reduction in manual bioinformatics curation time through pipeline automation; 8 novel AMR variants identified from 500+ sequences.

■ LANGUAGES

English (Fluent) • Hindi (Fluent) • Gujarati (Native)

■ PERSONAL DETAILS

Date of Birth: 20 June 2000 • Marital Status: Single • Nationality: Indian • Availability: Immediate Joiner

I hereby declare that the information furnished above is true and correct to the best of my knowledge and belief.

Place: Vadodara, Gujarat
